IT'S ABOUT A WORK/LIFE BALANCE

THE LOUNGE

Drink in the oasis of comfortable-calm that is the beautifully modern Lounge. With a relaxed, open environment and deluxe apartment-feel furniture, The Lounge is the perfect place for a leisurely lunch, a catch-up with friends over cocktails or a power breakfast with colleagues.

The Lounge area can be booked out exclusively for large receptions, or the adjoining room is perfect for medium sized parties. Its light and airy décor feels luxurious yet chilled, the ideal atmosphere for whatever event you have in mind. Complete with private terrace perfect for BBQs with a view to impress, including fantastic sunsets.

For larger groups, hire our Chez Mal Brasserie exclusively for parties up to 250 guests. With Marina views, outdoor terrace space and elegant decor, you'll create the perfect party atmosphere.

THE CAGE

For something a little more intimate, enter the Cage. Positioned in the heart of our Chez Mal Brasserie, our semi-private dining room allows you to revel in all of the luxury that private dining brings, whilst drinking in the all-important Chez Mal experience.

FOOD FOR THOUGHT

Your catering and refreshments should be as inspiring as your venue - something to energise your meeting and stimulate your senses throughout the day. So we have created a mouth-watering selection of delicious nibbles and warming dishes. With choices of bowl food, salads, fancy sandwiches, skewers, sides and puddings. Plus a selection of seasonal dishes and flavours to suit all tastes, specially selected from our bar and brasserie menus.

Our expertly trained serving staff can help to dazzle and entertain your clients with their wine pairing advice, and our master mixologists know more cocktails than you can shake a shaker at. And, most importantly, there's our highly experienced meeting & event professionals, who have the skills, flair and expertise to give you a truly inspiring experience to impress clients and colleagues. And, we realise that technology is constantly improving and evolving. So our expert team is always looking for the latest ways to deliver you the fastest Wi-Fi and slickest presentation tools available.
