## CRAFT BEERS ON TAP

**Meantime London Pale Ale** – a combination of American cascade and centennial hops gives it a complex citrus aroma, and buckets full of local Kentish Goldings provide bitterness that makes this stylish beer incredibly refreshing.

**Camden Gentleman's Witbier** – a Belgian brew with an English accent. A classic white beer spiked with lemon and fragrant with Bergamot, Gentleman's Wit has a smooth, full body and spicy finish.

**Sierra Nevada Pale Ale** – began as a home brewers dream, grew into an icon and inspired countless brewers to follow a passion of their own. The unique piney grapefruit aromas come from the use of whole-cone American hops and made this beer a classic. Has been around for decades, yet it remains new, complex and surprising to thousands of beer drinkers every day.

**Flying Dog Easy IPA** – a light yet flavourful beer from Maryland; perfect for easy drinking. Aromas of grapefruit and subtle spice meld into lemon and pine hop notes balanced with crisp cracker malt.

**Brooklyn Lager** – a wonderfully flavourful beer; smooth, refreshing and very versatile with food. This wedding of British-inspired dry hopping and Viennese-style lager brewing combine to create a true American original.

## CRAFT BEER BY THE BOTTLE

**St Mungo's** – Full bodied but easy drinking, St Mungo's is a hybrid between a true Bavarian Helles and a Northern German Pils. A local beer brewed in strict accordance with the time-honoured traditions of the 1516 German Purity Law.

**Brew Dog Punk IPA** - Our scene-stealing flagship is an India Pale Ale that has become a byword for craft beer rebellion; synonymous with the insurgency against mass-produced, lowest common denominator beer. Punk IPA charges the barricades to fly its colours from the ramparts – full-on, full-flavour, at full-throttle.

**Vedett** – this blonde, light, well hopped premier beer may be an old timer but is still holding its own. Vedett is the cult beer brand in Belgium; alternative and not too serious, combining retro flavours with modern anarchic style.

**Liefmans – On the Rocks** - this sparkling appetiser beer is rich in flavours of strawberry, raspberry, black cherry, elderberry and blueberry. Bubbling, sparkling and brim-full of fruity flavours, perfect for the final touch to a night out.

**Anchor Steam** – a west coast American favourite, Anchor Steam owes its deep amber colour, thick, creamy head, and rich, distinctive flavour to a historic brewing process like none other.
