CHAMPIONSHIPS

ROAD CLOSURE
INFORMATION

Friday 14 to Sunday 16 August 2026

Roads will be closed in your area and parking restrictions will be in operation. Please read this leaflet carefully to help you plan your journeys.

The European Athletics Championships are coming to Birmingham and we want to help you plan ahead!

Roads will be closed in the city centre from Friday 14 to Sunday 16 August to host the Marathon, Race Walk, and Unity Challenge 1K and 5K mass participation events.

For full details of the road closures, please see the map and timetables provided in this leaflet.

VEHICLE ACCESS

You will not be able to drive in or out of the closed areas during the road closures, unless you've made arrangements in advance.

If you need your vehicle during the closures, please park it outside the closed area.

PARKING RESTRICTIONS

Parking restrictions will start from 23:59 on Friday 14 August and will be in place throughout the Saturday road closures. Parking restrictions will begin again at 23:59 on Saturday 15 August to facilitate the Sunday closures.

Any vehicles left on the event routes after these times may be moved by our relocation system and could receive a penalty charge notice. Please use driveways or park on nearby side streets.

ADVANCE NOTICE

Signs explaining the road closures and parking restrictions will be put up along the routes two weeks before the event.

ACCESS MAINTAINED

Pedestrian and emergency access to all properties will be maintained throughout the road closures.

THANK YOU

Thank you for your understanding. We aim to minimise disruption as much as possible and would love for you to be part of Birmingham 2026!

For more information about the events, how to attend, and the road closures, please visit birmingham26.com or scan the QR code.
