## **STANDARD DOUBLE**

Our spacious standard rooms in Oxford offer a king size bed, en-suite shower (some with shower and bath) and all those essential and most wanted Malmaison little luxuries. But you know that when we say standard, we mean a really high standard, don't you?

## **CLUB DOUBLE**

Club room in Oxford with a chill out area for you to relax and soak up your super-slinky room. Complete with super king size bed, drench shower, bath and all the little life necessities you can't do without. Some rooms even feature a balcony. Lock yourself away and do some serious relaxation time.

## **STANDARD CELL ROOM**

Spacious double room in the A Wing where prisoners used to stay for free. You'll be dangerously close to extending your time here with us when you see the super-standards of this room. Complete with the cosiest king bed, en-suite with shower over bath (some with shower only) and all those essentials and lavish little extras. We'll see you on the inside.

## **CLUB CELL ROOM**

Lock yourself away and do some serious relaxation time. Spacious club cell room in the A-Wing. Complete with king bed, en-suite bathroom with roll-top bath and walk-in shower and all those essential special Malmaison touches. As you sip on Champagne and soak in the tub, remember - you deserve this.

# SUITE ESCAPE

## JUNIOR SUITE

Our Junior Suites command respect at the Oxford Malmaison. They all have their own unique style and come complete with a comfy king size bed. Special features include rolltop baths, twin monsoon showers, exposed brickwall in the Halfmoon suites or sofa in a separate lounge area.

## SUITE

When you're booked into our Suites you rule the roost. These slinky, split-level affairs involve beds on an epic scale, feature baths with monsoon shower and are overlooking the historic castle mound. You're surrounded, so you might as well surrender.

## SIGNATURE SUITE

Like many of the suites in the Oxford Mal, this one's named after a former Governor. You must have really deserved this treatment as you unlock the door. Flick on the taps and fill the roll-top tub, as you check out the rest of the suite like the guv'nor himself. Later, from the confines of your tub, you find yourself wondering if Mr Lowton Robbins would like what we've done with the place.
